Other comments (1)

Notes

(1) if any.

(2) P+PD = 1 to 3 short introductory presentations followed by a panel discussion/round table,
   P+AD = 1 to 3 introductory presentations followed by a debate with the audience,
   PD = panel discussion/round table only,
   AD = debate with the audience only,
   O = other format (please explain).
N.B. It is reminded that an invited session shall NOT only be a series of presentations.

(3) please indicate separately the number of speakers (max 3) and the number of panelists in case of a panel discussion, in addition to the chair/moderator.
N.B. For each invited session, up to 6 speakers/panelists (incl. the chairperson and moderator) will be eligible to the authors' reduced registration fee. All the speakers, panelists, chair and moderator must be registered by February 1, 2014 (early bird fee deadline)to get the invited session accepted in the final programme.

(4) Give the name, first name, position and affiliation, email address. Please specify if the chair/moderator will also be a speaker (S) and/or a panelist (P).

(5) Indicate the main mode and topic, and the secondary ones if any.

(6) ID number of the submission (summary of the invited session) as given on the submission web site http://tra2014.sciencesconf.org , and the notification email.

(7) if other sessions proposals were merged with this one, please indicate their ID number.

Important notices

1. The chairperson and moderator of each invited session are required to provide, within 2 weeks after the session, a short summary report of the session (3 to 6 pages), to be published on the TRA web site after the conference, and possibly in journal or volume .

2. All the invited sessions will be scheduled late afternoon on Tuesday April 15 and Wednesday April 16, from 17:30 until 18:45, and on Thursday April 17, early afternoon from 14:00 until 15:15 (possible to expand until 16:00).
